**THE PATRIOT GROUP PROVIDES  
\$17 MILLION CREDIT FACILITY TO  
MERCHANT CASH AND CAPITAL**

*FACILITY ENABLES MERCHANT CASH AND CAPITAL TO SERVE MORE CLIENTS*

Darien, CT – The Patriot Group, LLC, an emerging leader in finance solutions for businesses and specialty finance companies at all growth stages, today announced that it has provided a \$17 million, two-year, senior secured credit facility to Merchant Cash and Capital LLC. Merchant Cash and Capital, launched in 2006, is a successful and rapidly growing merchant advance company based in New York City with over 2,000 merchant clients nationwide. The facility will provide funding for existing and future merchant credit and debit card advances as well as new corporate initiatives.

“Patriot has the financial resources to provide flexible capital to businesses of all sizes, even in challenging credit environments such as the one we are working in today,” said Charles A. Forbes, Jr., Managing Partner and President of Patriot's Asset Funding Solutions division. “Having invested successfully during past cycles of economic dislocation, our management team has the experience and conviction to continue serving the unique and urgent needs of our clients. We believe that the facility we are providing to Merchant Cash and Capital will contribute significantly to the company’s growth and value in the coming years.”

“Thousands of merchants rely on our company to obtain funding quickly and efficiently, and in order to continue to grow their businesses,” said Stephen Sheinbaum, Founder and CEO of Merchant Cash and Capital. “Patriot was highly responsive to our request to design a customized credit facility that meets the needs of our fast-growing company and our clients.”

**About The Patriot Group, LLC**

Founded in 2002, The Patriot Group, LLC is a leading specialty finance, investment, and asset management company that provides funding solutions to clients across a wide variety of asset types. With its streamlined infrastructure, Patriot provides flexible, custom-tailored capital that benefits clients underserved by traditional financing sources. Patriot serves clients with a broad range of products across the capital structure, including senior, mezzanine and junior secured financing, asset purchase facilities, repurchase financing, working capital loans and equity.
